

New – Central Alabama Community College - Online E-Learning Healthcare Courses!

Central Alabama Community College announces the availability of our new online e-learning healthcare courses from Health Ed Today!

These courses are highly interactive and provide students with an enriched learning experience. Each course includes:

- 24 hour a day instructor support & course mentors
- engaging labs, student exercises and course videos
- all textbooks, workbooks and student materials
- a new "Secure Student Website" – including career resources & other training
- certain programs include clinical externships!

The following courses are available anytime!

- **Pharmacy Technician** / Student Tuition: \$1,299
- **Medical Billing & Coding** / Student Tuition: \$1,799
- **Phlebotomy Technician** / Student Tuition: \$1,299

Note: ask us about national or state certification and clinical externship opportunities through these courses!

To ensure that all students have the resources they need to succeed, students will have access to a secure "Student Portal" website which includes:

- Career building exercises, resume writing tips, interview techniques, etc..
- Career mentors - there to help students take the next step in their career!
- Other skills training including lifelong learning skills, healthcare review, etc.

Visit us online at <http://www.healthedtoday.com/cacc> to experience a Course Demo and to learn more about these exciting new programs!

For additional information, please contact Central Alabama Community College at **256-480-2062**, email dcoleman@cacc.edu – or call toll free **1-888-963-5967**.

The Health Ed Today courses were developed through a partnership with leading education organizations including Pearson Education, E-College and Condensed Curriculum International.

Pharmacy Technician / Student Tuition: \$1,299

This comprehensive course will prepare students to enter the pharmacy field and take the Pharmacy Technician Certification Board's PTCB exam. Course content includes pharmacy medical terminology, pharmacy calculations, reading and interpreting prescriptions, defining generic and brand names drugs and much, much more! Program also includes an optional clinical externship at a local healthcare provider!

Medical Billing & Coding / Student Tuition: \$1,799

This billing and coding course offers the skills needed to perform complex coding and billing procedures. The course covers CPT (Introduction, Guidelines, Evaluation and Management), specialty fields (such as surgery, radiology and laboratory), ICD-10 (Introduction and Guidelines) and basic claims processes for medical insurance and third party reimbursements. Students will learn how to find the service and codes using manuals, (CPT, ICD-10 and HCPCS).

Phlebotomy Technician / Student Tuition: \$1,299

This course prepares students to collect blood specimens from clients for the purpose of laboratory analysis. Students will review blood collection, the skills needed to perform venipunctures and other collection techniques. This course also includes terminology, blood collection procedures, order of draw and other topics. Program also includes an optional clinical externship at a local healthcare provider!
